Re: Gremlin Industries vs.
Circle International

Dear Mr. Freeland:

Pursuant to our telephone conversation of August 31, 1978, I am enclosing herewith the original of the proposed Order which your office prepared relative to the hearing on Defendants' Motion for Change of Venue in the above-captioned matter.

At firstly, I changed the date on Page 2, at line 4, pursuant to our conversation, to reflect the correct date as being October 13, 1978.

In addition, as we discussed, I am concerned as to signing approval as to form or content of the Order in its present form, in that the Order states that the Court's denial of the Motion for Change of Venue was limited to the reasons contained in Plaintiff's Points and Authorities filed with the Court. I do not feel that the Court, in announcing its decision, limited its ruling to that extent, and am concerned about signing an approval as to such a contention.

You indicated that you would present the Order to the Court along with this letter and that Judge Oberton would amend the Order if he saw fit. Of course, I would appreciate a conformed copy of the final form Order once the Judge has signed it.

Thank you for your courtesy and cooperation regarding this matter.

Very truly yours,

KIRSCH, ARAK and BULMASH
